RE: Beckett Sproule Feedermain Project

I would like to take a moment to recognize Bermingham for their superior effort in the installation of the caisson wall on this project. The entire Bermingham team displayed a commitment to safety, quality and customer satisfaction. We also appreciate that Bermingham took the time to meet with us in person to address any issues that arose over the course of the project.

We look forward to our next project together.

Sincerely,
