Birmingham Foundation Solutions Limited
600 Ferguson Ave., N.
Hamilton, ON
L8L 4Z9

Attention: Andrew Weltz, P. Eng., Project Manager

Re: St. Catharines Spectator Facility

We would like to recognize and commend Birmingham Foundation Solutions Limited for the successful completion of the piling for the new St. Catharines Spectator Facility.

Even with the challenges of installing 355 H-Piles through over 100 ft of fill, broken concrete, debris and till to bedrock this work was completed on time and on budget. Your co-operation and professionalism was evident throughout this difficult project, at times working in less than ideal winter conditions. We appreciated your prompt attention to address any issues that arose from time to time.

It was a pleasure working with you and your team on this project and look forward to working together in the future.

Regards,

Sto Tritchew, C.E.T.
Senior Vice President
