Re: Columbia International College
Burlington Waterfront Pier

Dear Andrew:

I would like to express our sincere thanks to everyone at Birmingham for their work at both the Columbia International College project as well as the Burlington Waterfront Pier.

Everyone who has been involved in these projects have been highly impressed by the level of professionalism shown by the Birmingham employees. When challenges have presented themselves, Birmingham have stood beside us every step of the way to resolve the issue.

The management of Birmingham are always easily accessible and we consider them a partner. Their expertise are second to none.

We look forward to future projects with Birmingham.

Regards,

Henry Schilthuis
President
