Sear Sir,

**Re: City of Temiskaming Shores
New Liskeard Sewage Works – 2009
Goodman Street Sewage Pumping Station**

Thank you for a job well done installing the 10m x 8m x9m deep temporary sheet pile (left in place) cofferdam for the Goodman sewage pumping station.

We appreciate Birmingham's attention to details and crews cooperation with our workers. No issues where left unresolved.

Pedersen Construction Inc. look forward to working with Birmingham on future projects.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Karl Pedersen', with a long, sweeping flourish extending upwards and to the right.

Karl Pedersen
President
